

Follow these steps to learn how to draw me. Practice makes perfect!

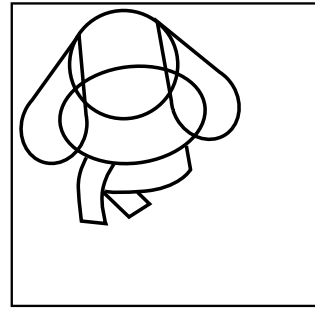

**Step 1:**  
Draw a small circle for the top of my head.

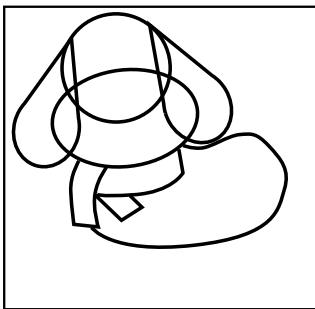

**Step 2:**  
Draw an oval shape for my chin. This is wider than the first circle.

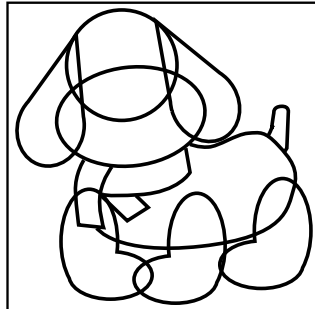

**Step 3:**  
Underneath the oval, draw the shapes for a nice warm scarf!

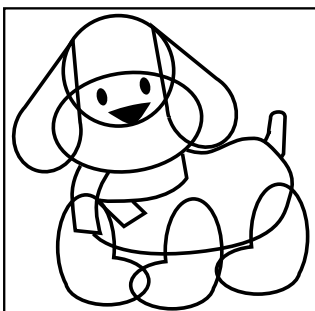

**Step 4:**  
Next, draw in some ears. They are like long triangles with a circle at the bottom.

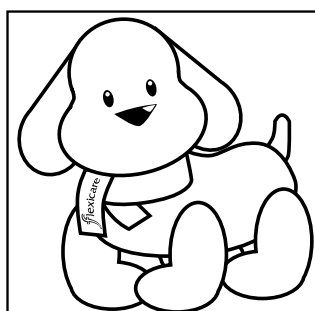

**Step 5:**  
My body is shaped like a bean. It's quite a small body!

**Step 6:**  
I have short legs, big round paws and a tiny tail. I wag it when I'm happy!

**Step 7:**  
Dogs need noses to smell. Mine is like a round triangle. My eyes are tall circles.

**Step 8:**  
Lastly, rub out any lines you don't need and...Wow, I look great! Thank you!
